*Child Care Keeps New York Working*

## SERVICES TO PARENTS:

As a parent, searching for quality child care can be challenging. Providers of child care who have experience with children and are trained in early childhood development are more likely to organize activities and materials that allow children to grow and learn. Our department provides the following:

- \* Referrals to registered and licensed providers in your area
- \* Quality training to providers
- \* Counseling on what to look for when choosing a quality child care provider
- \* Referrals and information on other local agencies that can assist your family
- \* **OUR SERVICES ARE NO COST TO PARENTS!**

## BENEFITS TO PROVIDERS:

- \* Stay at home with your own children while running a business
- \* Access to education, training and funding resources
- \* Tax deductions related to running a home business
- \* Good self sufficient or second income
- \* Referrals from our department to help build your business
- \* Start up Grants are available
- \* Assistance with registration process including fingerprint services
- \* **OUR SERVICES ARE NO COST TO PROVIDERS!**

**The Child Care Resource and Referral Department will help you get started today so you can build your own home based business.**

**Attend a Health and Safety Training at your convenience and get help with the application process. We are here to answer your questions.**

## ADVANTAGES:

There are several advantages for children, parents and providers when children are placed in registered/licensed day care.

Some of these advantages include:

- \* The Programs are registered or licensed by the state and have to follow basic health and safety requirements
- \* Children receive close, personal attention
- \* Children have the opportunity to interact with their peers
- \* Providers gain valuable work experience and access to free training opportunities
